

## A.A.W. BAECKER - PUBLISHED WORK

- 1978** King, B, Eaton, R.A. and Baecker, A.A.W. (1978)  
A summary of current information on actinomycetes and wood.  
Paper presented at IRG 9, 9th Meeting of the International Research Group on Wood Preservation, Peebles, UK., 1978.  
**Int. Res. Grp. Wood Pres. Doc. No. IRG/WP/177.** 11pp.
- 1980** Baecker, A.A.W. and King, B. (1980)  
A technique for the quantitative isolation of actinomycetes from decayed wood. Paper presented at IRG 11, 11th Meeting of the International Research Group on Wood Preservation, Raleigh, USA., 1980.  
**Int. Res. Grp. Wood Pres., Doc. No. IRG/WP/1116.** 10pp.
- Baecker, A.A.W. and King, B. (1980)  
Decay of wood by actinomycetes  
Paper presented at the 4th International Biodeterioration Symposium, Berlin, Germany, 1978.  
**Biodeterioration 4**, pp. 53-58. Eds. T.A. Oxley, G. Becker ,and D. Allsop. London, Pitman.
- 1981** Baecker, A.A.W. and King, B. (1981)  
Soft rot in wood caused by streptomycetes.  
**J. Inst. Wood Sci.**, **9**, 65-71.
- King, B., Smith, G.M., Baecker, A.A.W. and Bruce, A. (1981)  
Wood nitrogen control of toxicity of copper chrome arsenic preservatives.  
**Material und Organismen**, **16**, 105-118.
- 1983** Baecker, A.A.W., Dyker, R.M.P. and King,B. (1983)  
The role of actinomycetes in the biodeterioration of wood.  
Paper presented at the 5th International Biodeterioration Symposium, Aberdeen, UK., 1981.  
**Biodeterioration 5**, pp. 64-74. Eds. T.A. Oxley and S. Barry. New York, Wiley and Sons.
- 1985** Baecker, A.A.W. (1985)  
Interactions between streptomycetes and wood of commercial importance in South Africa.  
Paper presented at **EMSSA 85**, 24th Annual Conference of the Electron Microscopy Society of Southern Africa, Pietermaritzburg, RSA., 1985.  
**Proc. Electron. Microsc. Soc. South. Afr.**, **15**, 59-60.
- 1986** Alborough, L.D., Bandu, V.H. and Baecker, A.A.W. (1986)  
Degradation of DNBP-treated pine and eucalypt in soil contact by fungi and tunneling bacteria.  
Paper presented at **EMSSA 86**, 25th Annual Conference of the Electron Microscopy Society of Southern Africa, Potchefstroom, RSA., 1986.  
**Proc. Electron. Microsc. Soc. South. Afr.**, **16**, 83-84.

- Baecker, A.A.W., Rogers, G.M. and Alborough, L.D. (1986)  
 Biodeterioration of *Pinus patula* by microorganisms in chip piles during outside storage in Zululand.  
 Paper presented at **EMSSA 86**, 25th Annual Conference of the Electron Microscopy Society of Southern Africa, Potchefstroom, RSA., 1986.  
**Proc. Electron. Microsc. Soc. South. Afr.**, **16**, 85-86.
- Baecker, A.A.W., Rogers, G.M. and Alborough, L.D. (1986)  
 The glycocalyx produced by bacteria in wood.  
 Paper presented at **EMSSA 86**, 25th Annual Conference of the Electron Microscopy Society of Southern Africa, Potchefstroom, RSA., 1986.  
**Proc. Electron. Microsc. Soc. South. Afr.**, **16**, 87-88.
- Bandu, V.H., Alborough, L.D. and Baecker, A.A.W. (1986)  
 Biodeterioration of DNBP-treated pine and eucalypt in accelerated decay tests.  
 Paper presented at **EMSSA 86**, 25th Annual Conference of the Electron Microscopy Society of Southern Africa, Potchefstroom, RSA., 1986.  
**Proc. Electron. Microsc. Soc. South. Afr.**, **16**, 89-90.
- 1987** Abraham, L.D. and Baecker, A.A.W. (1987)  
 Accelerated decay tests on DNBP-treated *Pinus patula* and *Eucalyptus grandis*.  
 Paper presented at **IRG 18**, 18th Meeting of the International Research Group on Wood Preservation, Honey Harbor, Canada, 1987.  
**Int. Res. Grp. Wood. Pres., Doc. No. IRG/WP/3408**. 14pp.
- Abraham, L.D., Westlake, K., Mackie, R.I. and Baecker, A.A.W. (1987)  
 Anaerobic bacteria in mining timber.  
 Paper presented at **EMSSA 87**, 26th Annual Conference of the Electron Microscopy Society of Southern Africa, Johannesburg, RSA., 1987.  
**Proc. Electron. Microsc. Soc. South. Afr.**, **17**, 91-92.
- Baecker, A.A.W. and King, B. (1987)  
 Actinomycetes in the biodeterioration of wood.  
**The Actinomycetes**, **20**, 141-147.
- Baecker, A.A.W. and Ryan, K.C. (1987)  
 Improving the isolation of actinomycetes from soil by high-speed homogenisation.  
**S. Afr. J. Plant and Soil**, **4**, 165-171.
- Bondonno, A., von Holy, A., Swart, B.H. and Baecker, A.A.W. (1987)  
 Biofilm development on electroless-nickel-plated steel.  
 Paper presented at **EMSSA 87**, 26th Annual Conference of the Electron Microscopy Society of Southern Africa, Johannesburg, RSA., 1987.  
**Proc. Electron. Microsc. Soc. South. Afr.**, **17**, 99 -100.
- Kahn, C.G., Kasan, H.C., Stegman, P. and Baecker, A.A.W. (1987)  
 Filamentous organisms in activated sludge from an industrial wastewater

treatment system.

Paper presented at **EMSSA 87**, 26th Annual Conference of the Electron Microscopy Society of Southern Africa, Johannesburg, RSA., 1987.  
**Proc. Electron. Microsc. Soc. South. Afr.**, **17**, 119-120.

Kasan, H.C., Baecker, A.A.W. and Stegman, P. (1987)  
Bacterial zinc accumulation from industrial cooling water.  
Paper presented at **EMSSA 87**, 26th Annual Conference of the Electron Microscopy Society of Southern Africa, Johannesburg, RSA., 1987.  
**Proc. Electron. Microsc. Soc. South. Afr.**, **17**, 121-122.

Rogers, G.M. and Baecker, A.A.W. (1987)  
Theories on the degradation in wood associated with glycolyx-producing bacteria.  
**J. Inst. Wood Sci.**, **11**, 78-84.

**1988** Abraham, L.D., Westlake, K., Mackie, R.I., Putterill, J.F. and Baecker, A.A.W. (1988)  
Detection of methanogenic bacteria in mining timber.  
Paper presented at **IRG 19**, 19th Meeting of the International Research Group on Wood Preservation, Madrid, Spain, 1988.  
**Int. Res. Grp. Wood Pres., Doc. No. IRG/WP/1352**. 18pp.

Baecker, A.A.W., Bondonno, A. and von Holy, A. (1988)  
A new technique for evaluation of microbiologically induced corrosion by scanning electron microscopy.  
Paper presented at **EMSSA 88**, 27th Annual Conference of the Electron Microscopy Society of Southern Africa, Durban, RSA., 1988.  
**Proc. Electron. Microsc. Soc. South. Afr.**, **18**, 9-10.

Baecker, A.A.W., Cassim, H.A. and Ryan, K.C. (1988)  
Quantitative isolation of streptomycetes from wood by comminution, homogenisation and dilution plating.  
**The Actinomycetes**, **20**, 227-252.

Ismail, S. and Baecker, A.A.W. (1988)  
The microflora of treated and untreated *Pinus patula* chips in outside storage.  
Paper presented at **EMSSA 88**, 27th Annual Conference of the Electron Microscopy Society of Southern Africa, Durban, RSA., 1988.  
**Proc. Electron. Microsc. Soc. South. Afr.**, **18**, 115-116.

Ismail, S., Smith, E.J. and Baecker, A.A.W. (1988).  
Evaluation of laboratory trials to assess biodeterioration of *Pinus patula* chips.  
Paper presented at **Microbios 88, Proc. 5th Biennial Congress S A Society Microbiology**, Pretoria, RSA., 1988.  
**(ISBN No. 0 620 12618 3)**. CSIR Pub. No. S.483, 4.4.

Ismail, S., Smith, E.J. and Baecker, A.A.W. (1988)  
Selection of preservatives to prevent *Pinus patula* chip biodeterioration.  
Paper presented at **TAPPSA '88, Proc. 4th International Technical**

**Conference of the Technical Society of South Africa**, Durban, RSA., 1988, 213-228.

- Kahn, C., Stegman, P. and Baecker, A.A.W. (1988)  
Dehydrogenase activity as an assay in the quantitative evaluation of microorganisms in activated sludge.  
Paper presented at **SAIWA '88, South African Industrial Water Association's National Symposium**, Witkoppen, RSA., 1988.
- Kasan, H.C., Baecker, A.A.W. and Stegman, P. (1988)  
Biosorption of toxic metals by industrial activated sludge.  
Paper presented at **Microbios 88, Proc. 5th Biennial Congress S A Society Microbiology**, Pretoria, RSA., 1988.  
(ISBN No. 0 620 12618 3). CSIR Pub. No. S.483, MA.9.
- Ketley, D., Rogers, G.M. and Baecker, A.A.W. (1988)  
Bioflocculation of suspended solids in slimes produced during the diamond recovery process.  
Paper presented at **EMSSA 88**, 27th Annual Conference of the Electron Microscopy Society of Southern Africa, Durban, RSA., 1988.  
**Proc. Electron. Microsc. Soc. South. Afr., 18**, 117-118.
- Mitchell, J. and Baecker, A.A.W. (1988)  
Microbiological colonisation of diamondiferous kimberlite.  
Paper presented at **EMSSA 88**, 27th Annual Conference of the Electron Microscopy Society of Southern Africa, Durban, RSA., 1988.  
**Proc. Electron. Microsc. Soc. South. Afr., 18**, 119-120.
- Ngubane, W.T. and Baecker, A.A.W. (1988)  
Thermophilic pyrite leaching by *Sulfolobus brierleyi*.  
Paper presented at **Biohydrometallurgy 4, Proc. 4th International Symposium**, Warwick, UK., 1987. Eds. P.R. Norris and D.P. Kelly. Science and Technology Letters, London.  
(ISBN No. 0 946682 00 3). pp 528-529.
- Ngubane, W.T. and Baecker, A.A.W. (1988)  
The use of airlift reactors for pyrite oxidation by thermophiles.  
Paper presented at **Microbios 88, Proc. 5th Biennial Congress S A Society Microbiology**, Pretoria, RSA., 1988.  
(ISBN No. 0 620 12618 3). CSIR Pub. No. S.483, 4.5.
- Ngubane, W.T. and Baecker, A.A.W. (1988)  
Micromorphology of arsenopyrite degradation by *Sulfolobus acidocaldarius*.  
Paper presented at **EMSSA 88**, 27th Annual Conference of the Electron Microscopy Society of Southern Africa, Durban, RSA., 1988.  
**Proc. Electron. Microsc. Soc. South. Afr., 18**, 123-124.
- Price, W.J., von Holy, A., Wallis, F.M., Meyer, D.H. and Baecker, A.A.W. (1988).  
Measuring the impact of veld management on a grassland ecosystem by microbiological criteria.

Paper presented at **Microbios 88, Proc. 5th Biennial Congress S A Society Microbiology**, Pretoria, RSA., 1988.  
**(ISBN No. 0 620 12618 3)**. CSIR Pub. No. S.483, 12.2.

Rogers, G.M. and Baecker, A.A.W. (1988)  
A new method for the study of microbiological decay of wood in a strictly anaerobic environment.  
Paper presented at **IRG 19**, 19th Meeting of the International Research Group on Wood Preservation, Madrid, Spain, 1988.  
**Int. Res. Grp. Wood Pres., Doc. No. IRG/WP/2319**. 10pp.

Rogers, G.M. and Baecker, A.A.W. (1988)  
The study of anaerobic bacteria in wood.  
Paper presented at **Microbios 88 Proc. 5th Biennial Congress S A Society Microbiology**, Pretoria, RSA., 1988.  
**(ISBN No. 0 620 12618 3)**. CSIR Pub. No. S.483, 4.6.

Rogers, G.M. and Baecker, A.A.W. (1988)  
The micromorphology of wood degradation by anaerobic bacteria.  
Paper presented at **EMSSA 88**, 27th Annual Conference of the Electron Microscopy Society of Southern Africa, Durban, RSA., 1988.  
**Proc. Electron Microsc. Soc South. Afr., 18**, 127-128.

Scherer, U.L. and Baecker, A.A.W. (1988)  
Accelerated decay tests to investigate postulated effects of tannins on CCA efficacy in wood.  
Paper presented at **IRG 19**, 19th Meeting of the International Research group on Wood Preservation, Madrid, Spain, 1988.  
**Int. Res. Grp. Wood Pres., Doc. No. IRG/WP/3497**. 13pp.

Schnippenkoetter, W.H., Abraham, L.D. and Baecker, A.A.W. (1988)  
Relative performances of DNBP and CCA wood preservatives in accelerated decay tests.  
Paper presented at **IRG 19**, 19th Meeting of the International Research Group on Wood Preservation, Madrid, Spain, 1988.  
**Int. Res. Grp. Wood Pres., Doc. No. IRG/WP/3496**. 21pp.

Schnippenkoetter, W.H., Abraham, L.D. and Baecker, A.A.W. (1988)  
Analysis of relative performances of DNBP and CCA wood preservatives in accelerated decay tests.  
**Material und Organismen, 23**, 301-319.

Wiederhold, A., Morrison, M. and Baecker, A.A.W. (1988)  
The micromorphology of anaerobic rumen fungi in wood.  
Paper presented at **EMSSA 88**, 27th Annual Conference of the Electron Microscopy Society of Southern Africa, Durban, RSA., 1988.  
**Proc. Electron Microsc. Soc. South. Afr., 18**, 137-138.

**1989** Abraham, L.D., Putterill, J. and Baecker, A.A.W. (1989)  
Methanogenesis and sulphate reduction: a possible source of explosive gas mixtures in a gold mine.

Paper presented at **IRG 20**, 20th Meeting of the International Research Group on Wood Preservation, Lapeenranta, Finland, 1989.  
**Int. Res. Grp. Wood Pres., Doc. No. IRG/WP/1399**. 20pp.

Abraham, L.D., Putterill, J. and Baecker, A.A.W. (1989)  
Methanogens and sulphate-reducing bacteria in mining timber.  
Paper presented at **EMSSA 89**, 28th Annual Conference of the Electron Microscopy Society of Southern Africa, Onderstepoort, RSA., 1989.  
**Proc. Electron Microsc. Soc. South. Afr., 19**, 47-48.

Abraham, L.D., Westlake, K., Mackie, R.I., Putterill, J.F. and Baecker, A.A.W. (1989)  
Methanogenesis and sulphate reduction in mining timber: a possible source of explosive gas mixtures underground.  
**Geomicrobiology Journal, 7**, 167-183.

Baecker, A.A.W., le Roux, K.M. and von Holy, A. (1989)  
Predomination of microbiological contaminants of metal working fluids in service.  
**South African Journal of Science, 85**, 293-295.

Bondonno, A., von Holy, A. and Baecker, A.A.W. (1989)  
The effects of *Thiobacillus* and *Desulfovibrio* biofilms on corrosion of electroless-nickel-plated steel.  
**International Biodeterioration, 25**, 285-298.

Ismail, S., Smith, E.J. and Baecker, A.A.W. (1989)  
The use of propionic acid to prevent *Pinus patula* biodegradation during outside storage in Zululand.  
Paper presented at **IRG 20**, 20th Meeting of the International Research Group on Wood Preservation, Lapeenranta, Finland, 1989.  
**Int. Res. Grp. Wood Pres., Doc. No. IRG/WP/3531**. 20pp.

Kahn, C.G., Stegman, P., Kasan, H.C. and Baecker, A.A.W. (1989)  
Comparison of corrosion with successional changes in microbiological population of the wastewater reclamation system in a coal gasification plant.  
Paper presented at **IGT 2, Proc. Inst. Gas Technol. 2nd Int. Symp. Gas, Oil and Coal Biotech.**, New Orleans, USA, 1989.

Kasan H.C. and Baecker, A.A.W. (1989)  
Zinc bioaccumulation by *Pseudomonas cepacia*.  
**Microbios, 58**, 35-42.

Kasan, H.C. and Baecker, A.A.W. (1989)  
Biorecovery of toxic metal-ions from the coal gasification process.  
Paper presented at **IGT 2, Proc. Inst. Gas Technol. 2nd Int. Symp. Gas, Oil and Coal Biotech.**, New Orleans, USA, 1989.

Kasan, H.C. and Baecker, A.A.W. (1989)  
Activated sludge treatment of coal-gasification effluent in a petrochemical plant: metal accumulation by heterotrophic bacteria.

Paper presented at **CONFLUENCE 88**, 14th Biennial International Conference of the International Association for Water Pollution Research and Control, Brighton, UK, 1988.  
**Wat. Sci. Technol.**, **21**, 297-303.

Kasan, H.C. and Baecker, A.A.W. (1989)  
Heavy metal biosorption by industrial activated sludge.  
Paper presented at **WISA 1**, 1st Biennial Conference of the Water Institution of South. Africa, Cape Town, RSA., 1989.  
Abstracted in: **Water, Sewage and Effluent**, **9**, 34.

Kasan, H.C. and Baecker, A.A.W. (1989)  
An assessment of toxic metal biosorption by activated sludge from the treatment of coal-gasification effluent of a petrochemical plant.  
**Water Research**, **23**, 795-800.

Kasan, H.C. and Baecker, A.A.W. (1989)  
Microbial survey of an activated sludge plant treating petrochemical effluents.  
Paper presented at **SAIWA 89, Proc. Ann. Conf. South African Industrial Water Assn.**, Johannesburg, RSA., 1989.

King, B., Smith, G.M., Briscoe, P.A. and Baecker, A.A.W. (1989)  
Influence of redistributed soluble nutrients in wood on adsorption, permanence and toxicity of copper-chrome-arsenic preservatives.  
**Material und Organismen**, **24**, 179-192.

Mackie, R.I., Krecek, R.C., Els, H.J., van Niekerk, J.P., Kirschner, L.M. and Baecker, A.A.W. (1989)  
Characterisation of the microbial community colonising the anal and vulvar pores of helminths from the hindgut of zebras.  
**Applied and Environmental Microbiology**, **55**, 1178-1186.

Ngubane W.T., Norris, P. and Baecker, A.A.W. (1989)  
The inhibitory effect of arsenic solubilisation during leaching of stibnite-contaminated arsenopyrite by *Sulfolobus BC*.  
Paper presented at **Biohydrometallurgy 89, 5th International Symposium**, Jackson Hole, Wyoming, USA., 1989.

Ngubane, W.T. and Baecker, A.A.W. (1989)  
Bioaccumulation of soluble arsenic by *Sulfolobus* spp: a microscopic study of toxified cells.  
Paper presented at **EMSSA 89**, 28th Annual Conference of the Electron Microscopy Society of Southern Africa, Onderstepoort, RSA., 1989.  
**Proc. Electron. Microsc. Soc. South. Afr.**, **19**, 89-90.

Schnippenkoetter, W.H., Abraham, L.D. and Baecker, A.A.W. (1989)  
Relative performance of DNBP and CCA in accelerated decay tests.  
Abstracted in: **Forest Products Research Society, Technical Newsletter: Treated Wood Products and Processes**, **3(2)TN4**, 2.

- Smith, E.J., Ismail, S. and Baecker, A.A.W. (1989)  
 Selection of preservative formulations to prevent *Pinus patula* chip biodeterioration.  
**Paper Southern Africa, 9**, 36-43.
- Sweijd, N.A., Pillay, D., McQuaid, C.D., Bandu, V.H. and Baecker, A.A.W. (1989)  
 Filamentous structures associated with the gut mucosa of the sea urchin *Parechinus angulosa*.  
 Paper presented at **EMSSA 89**, 28th Annual Conference of the Electron Microscopy Society of Southern Africa, Onderstepoort, RSA., 1989.  
**Proc. Electron. Microsc. Soc. South. Afr.**, **19**, 99-100.
- Tibbles, B.J. and Baecker, A.A.W. (1989)  
 Effects and fate of phenol in simulated landfill sites.  
**Microbial Ecology, 17**, 201-206.
- Tibbles, B.J. and Baecker, A.A.W. (1989)  
 Effects of pH and inoculum size on phenol degradation by bacteria isolated from landfill waste.  
**Environmental Pollution, 59**, 227-239.
- von Holy, A., da Silva e Sa, M. and Baecker, A.A.W. (1989)  
 Susceptibility of different metal working fluids to microbiological contamination in service.  
**South African Journal of Science, 85**, 149-151.
- von Holy, A., Bondonno, A. and Baecker, A.A.W. (1989)  
 Accelerated laboratory evaluation of microbiologically induced corrosion (MIC).  
**Paper Southern Africa, 9**, 40-42.
- Wiederhold, A.H., Morrison, M. and Baecker, A.A.W. (1989)  
 The colonisation pattern of wood by anaerobic fungi.  
 Paper presented at **IRG 20**, 20th Meeting of the International Research Group on Wood Preservation, Lapeenranta, Finland, 1989.  
**Int. Res. Grp. Wood Pres., Doc. No. IRG/WP/1403**. 11pp.
- 1990** Abraham, L.D. and Baecker, A.A.W. (1990)  
 Evaluation of methanogenesis and sulphate-reduction in model systems incorporating timber and drainage water from a gold mine.  
 Paper presented at **Microbios 90, Proc. 6th Biennial Congress S A Society Microbiology**, Stellenbosch, RSA., 1990, 2.3.
- Bux, F., Jardine, A. and Baecker, A.A.W. (1990)  
 Spalted timber may provide fungal isolates for biological control of wood decay.  
 Paper presented at **EMSSA 90**, 29th Annual Conference of the Electron Microscopy Society of Southern Africa, Grahamstown, RSA., 1990.  
**Proc. Electron. Microsc. Soc. South. Afr.**, **20**, 113-114.
- Kahn, C.G., Kasan, H.C., Stegman, P. and Baecker, A.A.W. (1990)

The response of microbiological populations to chemical shock in petrochemical plant activated sludge.  
**Water South Africa, 16, 23-28.**

- Kasan, H.C. and Baecker, A.A.W. (1990)  
Genetic basis of resistance in a zinc-accumulating *Pseudomonas cepacia*.

Microbial ecology of an activated sludge process treating petrochemical effluents.  
Paper presented at **IGT 3, Proc. Inst. Gas Technol. 3rd Int. Symp. Gas, Oil and Coal Biotech.**, New Orleans, USA., 1990.
- Kasan, H.C. and Baecker, A.A.W. (1990)  
Microbiological options for metal-ion removal from effluents.  
Paper presented at **SAIWA '90, South African Industrial Water Association's 4th National Symposium**, Witkoppen, RSA., 1990.
- Kasan, H.C. and Baecker, A.A.W. (1990)  
Microbiological survey of petrochemical activated sludge.  
Paper presented at **Microbios 90, Proc. 6th Biennial Congress S A Soc. Microbiology**, Stellenbosch, RSA., 1990, 8.13.
- Kasan, H.C. and Baecker, A.A.W. (1990)  
Zinc resistance of a plasmid-bearing *Pseudomonas cepacia* strain.  
Paper presented at **Microbios 90, Proc. 6th Biennial Congress S A Soc. Microbiology**, Stellenbosch, RSA., 1990, 11.6.
- King, B., Smith, G.M., Briscoe, P.A. and Baecker, A.A.W. (1990)  
Influence of wood surface nutrients on the effectiveness of CCA.  
Abstracted in: **Forest Products Research Society, Technical Newsletter: Treated Wood Products and Processes, 4(2)TN4, 1.**
- Ngubane, W.T. and Baecker, A.A.W. (1990)  
Soluble arsenic uptake by *Sulfolobus* species and its association with the phosphate uptake system.  
Paper presented at **Microbios 90, Proc. 6th Biennial Congress S A Soc. Microbiology**, Stellenbosch, RSA., 1990, 11.1.
- Ngubane, W.T. and Baecker, A.A.W. (1990)  
Oxidation of pyrite and arsenopyrite by *Sulfolobus* species in airlift fermenters.  
**Biorecovery, 1, 255-269.**
- Ngubane, W.T., Gupthar, A.S., Anders, J.R. and Baecker, A.A.W. (1990)  
Selective attachment of *Sulfolobus BC* to gold-bearing sulphide mineral ores during bioleaching.  
Paper presented at **EMSSA 90, 20th Annual Conference of the Electron**

- Microscopy Society of Southern Africa, Grahamstown, RSA., 1990.  
**Proc. Electron Microsc. Soc. South. Afr., 20**, 105-106.
- Pillay, D. and Baecker, A.A.W. (1990)  
Electrophoretic analysis of soluble egg antigens from three geographical isolates of *Schistosoma mansoni* and an assessment of their serological reactivities by immunodiffusion.  
Paper presented at **Microbios 90, Proc. 6th Biennial Congress S A Soc. Microbiology**, Stellenbosch, RSA., 1990, 19.3.
- Pillay, D. and Baecker, A.A.W. (1990)  
Electrophoretic analysis and serological reactivity of soluble egg antigens shows differences among three geographical isolates of *Schistosoma mansoni*.  
Paper presented at **ICOPA '90, VII Int. Congress of Parasitology**, Paris, France, 1990.
- Shelver, G.D., Shelver, E.A. and Baecker, A.A.W. (1990)  
The biostatic effect of copper on fungal colonisation of mining timber treated with fire retardant.  
Paper presented at **EMSSA 90**, 28th Annual Conference of the Electron Microscopy Society of Southern Africa, Grahamstown, RSA., 1990.  
**Proc. Electron. Microsc. Soc. South. Afr., 20**, 117-118.
- Shelver, G.D., McKay, G., Kistner, A. and Baecker, A.A.W. (1990)  
Comparison of degradation patterns produced by *Ruminococcus* species on maize cell walls during continuous culture.  
Paper presented at **EMSSA 90**, 28th Annual Conference of the Electron Microscopy Society of Southern Africa, Grahamstown, RSA., 1990.  
**Proc. Electron. Microsc. Soc. South. Afr., 20**, 107-108.
- Singh, S., Baecker, A.A.W. and Shelver, G.D. (1990)  
Immobilisation of nitrate reducing bacteria in a fluidised-bed system for bioremediation of pulp mill effluent.  
Paper presented at **EMSSA 90**, 28th Annual Conference of the Electron Microscopy Society of Southern Africa, Grahamstown, RSA., 1990.  
**Proc. Electron. Microsc. Soc. South. Afr., 20**, 103-104.
- Singh, V., Baecker, A.A.W. and Shelver, G.D. (1990)  
Colonisation of wood elements by a facultatively anaerobic fungus isolated from the rumen.  
Paper presented at **EMSSA 90**, 28th Annual Conference of the Electron Microscopy Society of Southern Africa, Grahamstown, RSA., 1990.  
**Proc. Electron Microsc. Soc. South. Afr., 20**, 119-120.
- Smith, E.J., Ismail, S. and Baecker, A.A.W. (1990)  
Selection of preservative formulations to prevent *Pinus patula* chip biodeterioration.  
Abstracted as "Taking care of *Pinus patula* chips" in: **Pulp and Paper Canada**, **81**, 86.

- von Holy, A., Bondonno, A. and Baecker, A.A.W. (1990)  
 A novel device to evaluate microbiologically induced corrosion (MIC) under laboratory conditions.  
 Paper presented at **Microbios 90, Proc. 6th Biennial Congress S A Soc. Microbiology**, Stellenbosch, RSA., 1990, 11.4.
- 1991** Baecker, A.A.W. and Rogers, G.M. (1991)  
 Immunolocalisation of xylanase produced by *Clostridium xylanolyticum* ROGERS & BAECKER during anaerobic decay of *Pinus patula*.  
 Paper presented at **IRG 22**, 22nd Annual Meeting of the International Research Group on Wood Preservation, Kyoto, Japan, 1991.  
**Int. Res. Grp. Wood Pres., Doc. No. IRG/WP/1505**. 9pp.
- Baecker, A.A.W., Schnippenkoetter, W.H., Shelver, G.D. and Scherer, U.L. (1991)  
 The antimicrobial effect of tannins in wood and their lack of effect on CCA efficacy.  
**Material und Organismen**, **26**, 269-285.
- Coimbra, I.I.S. and Baecker, A.A.W. (1991)  
 Biofouling of a diesel filter by fungal mycelium.  
 Paper presented at **EMMSA 91**, 29th Annual Conference of the Electron Microscopy Society of Southern Africa, Cape Town, RSA., 1991.  
**Proc. Electron Microsc. Soc. South. Afr.**, **21**, 81-82.
- Coimbra, I.I.S., McQuaid, C.D. and Baecker, A.A.W. (1991)  
 Biodegradation of DNBP-treated wood by marine bacteria.  
 Paper presented at **EMMSA 91**, 29th Annual Conference of the Electron Microscopy Society of Southern Africa, Cape Town, RSA., 1991.  
**Proc. Electron. Microsc. Soc. South. Afr.**, **21**, 83-84.
- Kasan, H.C. and Baecker, A.A.W. (1991)  
 The use of microorganisms for metal reclamation from industrial effluents.  
 Paper presented at International Symposium on Environmental Biotechnology, **ISEB 1991, 66th Event of the European Federation of Biotechnology**, Ostend, Belgium, 1991.  
**(ISBN No. 90 5204 011 7)**. Royal Flemish Society of Engineers, 243-246.
- Kasan H.C. and Baecker, A.A.W. (1991)  
 Correlation between physical corrosion determinations and microbiological flora changes during substitution of anticorrosion agents in an industrial water reclamation system.  
 Paper presented at **WISA 1991, 2nd Biennial Conference of the Water Institute of South Africa**, Johannesburg, RSA, 1991.
- Kasan, H.C. and Baecker, A.A.W. (1991)  
 Biotechnological options for metal ion removal from effluents.  
 Paper presented at **SAChE 1991, Triennial National Meeting of the South African Institution of Chemical Engineers**, Durban, RSA, 1991.
- Rogers, G.M. and Baecker, A.A.W. (1991)  
*Clostridium xylanolyticum* sp. nov., an anaerobic xylanolytic bacterium

from decayed *Pinus patula* wood chips.  
**Int. J. Syst. Bact.**, **41**,140-143.

Shelver, E. and Baecker, A.A.W. (1991)  
Fungal penetration of a biofouled paint film matrix.  
Paper presented at **EMSSA 91**, 29th Annual Conference of the Electron Microscopy Society of Southern Africa, Cape Town, RSA, 1991.  
**Proc. Electron Microsc. Soc. South. Afr.**, **21**, 143-144.

Shelver, G.D., Shelver, E.A. and Baecker, A.A.W. (1991)  
The biostatic effect of copper on decay of fire retardant-treated timber.  
Paper presented at **IRG 22**, 22nd Meeting of the International Research Group on Wood Preservation, Kyoto, Japan, 1991.  
**Int. Res. Grp. Wood Pres., Doc. No. IRG/WP/1507**. 3pp.

Shelver, G.D., Matai, U., van Wyk W. and Baecker, A.A.W. (1991)  
Effects of the anaerobic wood decay bacterium *Clostridium xylanolyticum* on unbleached *Pinus* and *Eucalyptus* pulp.  
Paper presented at **IRG 22**, 22nd Meeting of the International Research Group on Wood Preservation, Kyoto, Japan, 1991.  
**Int. Res. Grp. Wood Pres., Doc. No. IRG/WP/1506**. 7pp.

Shelver, G.D., McQuaid, C.D. and Baecker, A.A.W. (1991)  
Leaching of CCA from *Pinus patula* during marine trials in the Southern Hemisphere.  
Paper presented at **IRG 22**, 22nd Meeting of the International Research Group on Wood Preservation, Kyoto, Japan, 1991.  
**Int. Res. Grp. Wood Pres., Doc. No. IRG/WP/4167**. 3pp.

Singh, S., Bandu, V., Shelver, G.D. and Baecker, A.A.W. (1991)  
Immobilisation of sulphate reducing bacteria for anaerobic biodegradation of chlorate in pulp mill effluent.  
Paper presented at **EMSSA 29**, 29th Annual Conference of the Electron Microscopy Society of Southern Africa, Cape Town, RSA., 1991.  
**Proc. Electron Microsc. Soc. South. Afr.**, **21**, 145-146.

Singh, V., Shelver, G.D. and Baecker, A.A.W. (1991)  
Reproductive structures produced by basidiomycetes in wood.  
Paper presented at **EMSSA 29**, 29th Annual Conference of the Electron Microscopy Society of Southern Africa, Cape Town, RSA., 1991.  
**Proc. Electron Microsc. Soc. South. Afr.**, **21**, 147-148.

**1992** Baecker, A.A.W. (1992)  
Degradation patterns produced by amylolytic bacteria on starch grains.  
Paper presented at **EMSSA 30**, 30th Annual Conference of the Electron Microscopy Society of Southern Africa, Pietermaritzburg, RSA., 1992.  
**Proc. Electron Microsc. Soc. South. Afr.**, **22**, 41-42.

Coimbra, I.I.S., Shelver, G.D. and Baecker, A.A.W. (1992)  
Bioremediation of 2-sec-butyl-4,6 dinitrophenol.  
Paper presented at **Microbios 92**, **Proc. 7th Biennial Congress S A**

**Society Microbiology**, Bloemfontein, RSA, 1992, 123.

Ngubane, W.T. and Baecker, A.A.W. (1992)

The use of microorganisms in biological leaching of sulphide mineral ores.

Paper presented at **Microbios 92, Proc. 7th Biennial Congress S A Society Microbiology**, Bloemfontein, RSA., 1992, 175.

Rogers, G.M., Jackson, S.A., Shelver, G.D. and Baecker, A.A.W. (1992)

Anaerobic degradation of lignocellulosic substrates by a 1,4-b-xylanolytic *Clostridium* species novum.

**International Biodeterioration & Biodegradation**, **29**, 3-17.

Shelver, G.D., Fouche, G., Kistner, A. and Baecker, A.A.W. (1992)

Interactions between two anaerobic rumen bacterial species during maize cell wall degradation in continuous culture.

Paper presented at **Microbios 92, Proc. 7th Biennial Congress S A Soc. Microbiology**, Bloemfontein, RSA., 1992, 191.

Shelver, G.D., McQuaid, C.D., Tarin, M. and Baecker, A.A.W. (1992)

Surface accumulation of copper on CCA-impregnated *Pinus patula* stakes during marine preservative trials in the Southern Hemisphere.

Paper presented at **IRG 23**, 23rd Meeting of the International Research Group on Wood Preservation, Harrogate, UK., 1992.

**Int. Res. Grp. Wood Pres., Doc. No. IRG/WP/4181-92**. 4pp.

Singh, S., Shelver, G.D., Ryan, K.C. and Baecker, A.A.W. (1992)

Chlorate is not utilised as a nitrate-analogue by nitrate reducers in pulp mill effluent.

Paper presented at **Microbios 92, Proc. 7th Biennial Congress S A Soc. Microbiology**, Bloemfontein, RSA., 1992, 124.

Singh, V., Tarin, M., Shelver, G.D., Ryan, K.C. and Baecker, A.A.W. (1992)

Quantification of fungal effects in wood.

Paper presented at **Microbios 92, Proc. 7th Biennial Congress ,S A Soc. Microbiology**, Bloemfontein, RSA., 1992, 92.

Singh, V., Tarin, M., Shelver, G.D. and Baecker, A.A.W. (1992)

Quantification of wood decay effects by HPLC analysis.

Paper presented at **IRG 23**, 23rd Meeting of the International Research Group on Wood Preservation, Harrogate, UK, 1992.

**Int. Res. Grp. Wood Pres., Doc. No. IRG/WP/1576-92**. 6pp.

**1993** Baecker, A.A.W. (1993)

Catabolic potential of microorganisms for bioremedial treatment of Dinoseb spillage.

Paper presented at **BIOTECH '93, First South African Biotechnology Conference**, Grahamstown, RSA, 1993.

Baecker, A.A.W. (1993)

Control of microorganisms which mobilise preservatives in wood and

pollute soil.

Paper presented at **BIOTECH '93, First South African Biotechnology Conference**, Grahamstown, RSA, 1993.

Baecker, A.A.W. (1993)

A non-toxic method to combat incipient decay of CCA- and creosote-treated poles in soil-contact.

**International Biodeterioration and Biodegradation, 32**, 289-303.

Baecker, A.A.W. (1993)

A non-pressure method of protection based on hurdle theory to control the spectrum of internal environmental factors which affect the decay of poles in soil contact.

Paper presented at **IRG 24**, 24th Meeting of the International Research Group on Wood Preservation, Orlando, USA, 1993.

**Int. Res. Grp. Wood Pres., Doc. No. IRG/WP/93-20005**. 20pp.

Baecker, A.A.W. (1993)

Fungi are both evil and good.

**Wood SA, 18 (5)**, 22-25.

Baecker, A.A.W. (1993)

The prevention of premature failure of preservative-treated poles in soil contact.

**Wood SA, 18 (6)**, 32-34.

Baecker, A.A.W. (1993)

Innovative treatment options.

**Wood Southern Africa and Timber Times, 18 (9)**, 30-31.

Baecker, A.A.W. (1993)

Non-toxic decay prevention.

**Wood Southern Africa and Timber Times, 18 (11)**, 39-42.

Baecker, A.A.W. (1993)

Non-toxic decay prevention. Part II.

**Wood Southern Africa and Timber Times, 18 (12)**, 52.

Ngubane, W.T. and Baecker, A.A.W. (1993)

Comparative study of mineral sulphide leachability by mesophiles and thermophiles.

Paper presented at **BIOTECH '93, First South African Biotechnology Conference**, Grahamstown, RSA, 1993.

Singh, S., Baecker, A.A.W., Shelver, G.D. and Ryan, K.C. (1993)

Biodegradation of chlorate in pulpmill effluent by sulphate-reducing bacteria.

Paper submitted for **4th IAWQ Symposium on Forest Industry Wastewaters, International Association for Water Quality**, Tampere, Finland, 1993.
